

Napa Valley College  
Criminal Justice Training Center  
**ORGANIZATIONAL VALUES**

Students Always Come First

We are dedicated to the success of our students. They include anyone coming to the Training Center for classes or career information. We are committed to providing outstanding service and access to our programs for agencies and self-sponsored students.

Professionalism

We value the professionals we have on our staff. We model professionalism and set the standard for our students to follow. We respect each individual for who they are and strive to understand differences. We consistently promote a positive attitude.

Character

We value the character of our staff and believe that personal leadership, ethics, and morals are paramount to the success and integrity of our program. We hold ourselves accountable to the Law Enforcement Code of Ethics.

Organization

Our organization is committed to quality. We value doing things right and always doing the right thing. Members of our staff are committed to their role on our team. We value clean and organized facilities that promote a positive and comfortable learning environment.

Information Sharing

Information is powerful. We share factual information openly and value honest input and feedback. Our organization is committed to collaboration and cross-training to insure no single point of failure.
