Regular Basic Course- Class #116

DATES:

July 9, 2022 through December 10, 2022
(Mandatory Academy Orientation: Saturday, July 9, 2022 0700- 1600 hours)

DAYS AND TIMES:

Program days are variable. Class will generally meet Monday through Friday, 0700- 1600 hours. There are also several mandated attendance dates on Saturdays and perhaps Sundays. (As needed)

DESCRIPTION:

The Regular Basic Course is an 880-hour basic training program certified by the California Commission on Peace Officer Standards and Training. Students must complete this course to be eligible for hire as a full-time police officer, deputy sheriff, or level 1 reserve officer in California. Students will experience a high discipline, moderate stress environment that emphasizes the development of character, problem solving skills, and officer safety tactics. Students will experience significant instructional hours dedicated to physical skills, officer safety, and survival. Staff balances physical fitness with demanding academic standards designed to prepare students for success in field-training programs. Students learn through a variety of experiences facilitated by subject matter experts. Students must demonstrate a high level of competency in six "Core Dimensions". Students must be computer literate, as they will conduct research, write reports, and access the academy's website for a wide range of resources. We provide an on-site emergency vehicle operations course. Students will use a skid car to experience realistic emergency vehicle operations. Students experience Firearms training in a state-of-the-art indoor firearms training facility that is one of the best in California.

ACCREDITATION:

The Regular Basic Course is a certified curriculum under the auspices of the California Commission on Peace Officer Standards and Training, and the Accrediting Commission for Community and Junior Colleges. Graduates receive 24 college units and a POST Regular Basic Certificate.
